Dear Sir

Since receiving your letter of the 27th ult. I have endeavored to have a photograph taken of the plaster bust of Mr Cameron as requested by you at Committee. But it is impossible to have anything taken that would be intelligible to a sculptor or modeller. Note 2 as you may remember

I have forgotten the Photographers name please supply it in the inclosed note and have him print the profiles -
If he does it - as satisfactorily as the inclosed then he may return them to me -
- Newspaper man Thearn of Lake Ezekiel
Tuskegee Then when he is through with them

may obtain it would it not be advisable for me to write a short letter to the Photographer and have him print the profiles - I have 2 hundred envelopes with the Tuskegee Institute printed on them - I will inclose 2 with this letter and you can have him print the profiles on them

Though delayed in its arrival in New York by the press of holidays, the picture of Washington arrived safely. I have returned from Boston to attend to the finishing arrangements for the exhibition of our paintings, but am prostrated at present by a severe attack of Sciatica. As soon as I get well on my feet I will remit to you the amount of bill. Many thanks for your courtesies. Truly Cyrus Cobb, By D. C.

Mr Macleod
Dr Sir,
Pres. J. H. Seelye
, of our College, has sent
you letter of inquiry to me
The statue of M Perriers
by Michel Angelo was cast
for the first time in Florence
a little more than two years
ago from a mould made there
from the original. I procured
for our collection through an
artist friend there living in
Florence one of the first casts

, the second one produced, if
my memory serves me right.
It is the size of the
original statue & cost all
packed 1070 lire. It was
forwarded here through the
hands of Magray, Hooker & Co.
